Dying to Know You by Aidan Chambers - Books-A-Million

Dying to Know You is an emotional, character driven story both captivating and thought-provoking, reeling the reader in and taking hold. Highly recommended and best for older teens. First published April 2012 In USA by Abrams Amulet Books. ISBN 978-1-4197-0165-8

Aidan Chambers - official web site

Dying to Know You is very different from most of the books I've read this year. For a start it's narrated from the point of view of a man in his seventies and while it is a love story of sorts, it much more about the friendship between Karl and the narrator. I loved the different styles Aidan Chambers used throughout this book.
